Click to copy

Use the following credentials for S3 clients:

Access Key ID

207f63b611fef7b19a660b889e0fddf9

Click to copy

Secret Access Key

9fbe05048a645128b2c51fade30904a1af664013153513c814642779758386d2

Click to copy

Use jurisdiction-specific endpoints for S3 clients:

Default | European Union (EU)

https://825262582151a3c45955dba780eb5085.r2.cloudflarestorage.com

Click to copy

For security reasons, these token values will not be shown again. Learn more about API token generation

Finish

Enable Agent Lee access

Agent Lee needs a read-only API token to access your account.
